Says Lawman Claimed Salary of Secretary

NEW YORK (AP) — An accountant has testified that Rep. Adam Clayton Powell's secretary told him her \$8,775 salary for 1946 "belonged to the congressman."

The government alleges this was a kickback.

Mrs. Hattie Freeman Dodson and her husband Howard are on trial in federal court on charges of falsifying income tax returns between 1948 and 1951. Mrs. Dodson also is charged with income tax evasion and receiving illegal refunds.

Mrs. Dodson was Washington secretary to the New York Democrat in 1945. The government says she returned to New York in 1946.

But her secretarial salary continued, the government claims, and was kicked back to Powell.

The U. S. attorney's office here declined to comment on the possibility of action being taken against Powell.

Mrs. Dodson is the third of Powell's secretaries to be indicted on income tax charges. Two men who are former secretaries of his have pleaded innocent and are awaiting trial.

Powell and the Dodsons are Negroes.

SUDDENLY REMEMBERED
CHICAGO (UP) — James W. Gardner forgot to clean out the glove compartment of his battered 1951 car when he sold it to a used car dealer yesterday — but he returned hastily.

Gardner explained to the startled dealer that he had forgotten to remove \$2,827 he had stuffed in the compartment to "pay some bills."

Disappearance of Officer Is a Puzzle

By DANIEL GILMORE

LONDON (AP) — The admiralty regrets to announce that Commander Lionel Crabbe did not return from a test dive in the Portsmouth area about a week ago.

That laconic announcement broke the most intriguing cloak and dagger chiller since the war.

For Crabbe was Britain's most famous "frogman" and, riding at anchor in the harbor at the time Crabbe disappeared were the sleek 12,800-ton Russian Cruiser Orjoniokidze and two Red fleet destroyers.

While official mouths have been tightly shut, there has been wide speculation that Crabbe dove beneath the Russian vessels on an espionage mission to examine their hulls, perhaps to detect with a Geiger counter whether the Soviet cruiser carried atomic weapons or equipment.

So far as is known, his body has not been recovered. His wife says she does not believe he is dead.

There is the possibility the Russia has caught him and took him back aboard the ship that carried Nikita Khrushchev and Nikolai Bulganin to and from England on their recent visit.

Neither he nor Faubus would confirm or deny — that resignation had been received or were expected from any members of the hospital professional staff.

And Dr. Crawford said, before the meeting with Hendrix, that his status was unchanged. Dr. Crawford already had said that he was considering taking another job at Cleveland and would decide this month.

Yerger Senior Play Full of Laughter

"Betty's Millionaire" is a comedy that fairly sparkles with clever lines and hilarious situations. It is short, bright and full of laughter.

Betty Brown, Ozie Williams, pretty and intelligent, whose life ambition is to marry a millionaire, finally meets one or thinks she does. In reality, he is nothing but a secretary. This is all the result of a bit of scheming on the part of Betty's friends, Sue, Vivian Lloyd, and Nancy, Shirley Robinson.

However, Betty turns the tables by falling in love with the secretary, who, of course, is actually the millionaire. And then, upon discovering the identity of the man she loves, is provoked at being fooled and declares she won't marry anyone, which complicates matters quite nicely, especially as Sue has decided to marry the real secretary.

And then, adding spice and laughter to the program, Mrs. Evangeline Brendlinger, Joanna Lowe, a jolly old widow, seeking to ensnare the grumpy, sour-faced old Augustus Winslow, Leroy Cleghorn, who doesn't reciprocate in the least, until Mrs. Brendlinger slays him with a bit of witicism.

And to top the bright comedy, there is Thaddeus Atterbury, Clyde Moore, proprietor of the Ocean Breezes Hotel, where the action of the play takes place. Thaddeus is anxious that all his paying guests are comfortable and happy, but is quite annoyed at being called a "Chickadee" by Mrs. Brendlinger, Nora, the maid of all work, is quite taken with the name, thinking apparently, it is suitable, referring to it in Thaddeus' presence whenever his lordly manner annoys her.

In the end Betty gets her millionaire and every thing is pleasant.

Henry Ford Quits Foundation Job

DETROIT (AP) — Henry Ford II has resigned as board chairman of the huge Ford Foundation, turning over the post to Rowan Gaither its president.

Ford announced yesterday he would step down from the chairmanship of the philanthropic organization founded by his father and his grandfather. He will continue as a member of the board.

He submitted his resignation in a letter dated April 18, saying he felt the foundation needed a full-time chairman. He had held the job since 1943.

Crawfis, Target of Faubus, Takes Job in Ohio

LITTLE ROCK (AP) — Dr. Ewing H. Crawford said today that he has accepted a position as superintendent of a mental health research and teaching facility at Cleveland.

His resignation as superintendent of the Arkansas State Hospital for Nervous Diseases, reportedly written and ready, had not been submitted formally today.

His resignation as superintendent of the Arkansas State Hospital for Nervous Diseases was submitted today. He said he made up his mind definitely to take the Cleveland offer this morning.

Dr. Crawford said his resignation would become effective June 18.

Belieged by criticism from the governor's office the past several months, Crawford said recently that he was considering the Cleveland offer.

While Crawford awaited a meeting with Olin Hendrix, chairman of the hospital Board of Control, Gov. Orval Faubus conferred at a downtown hotel with Dr. George W. Jackson, former superintendent of the Arkansas hospital. Jackson now is director of state mental institutions in Kansas.

LITTLE ROCK (AP) — Two conferences which might indicate changes in top personnel at State Hospital were scheduled here today.

One was between Supt. Ewing H. Crawford, who has been under fire of Gov. Orval Faubus, and the Faubus-appointed chairman of the hospital board, Olin Hendrix, of Antoine.

The other was planned by Faubus, Hendrix and former Hospital Supt. George F. Jackson, now of Topeka, Kans.

Hendrix said no meeting of the full board set for today but that a special session might be arranged depending on "developments."

Neither he nor Faubus would confirm or deny — that resignations had been received or were expected from any members of the hospital professional staff.

And Dr. Crawford said, before the meeting with Hendrix, that his status was unchanged. Dr. Crawford already had said that he was considering taking another job at Cleveland and would decide this month.

President in Lead Over Kefauver

By The Associated Press

Five states held primary elections yesterday and an immediate, and inevitable, dispute arose as to the political significance of the Indiana results.

President Eisenhower took a substantial lead in that predominantly Republican state over Democratic Estes Kefauver although the two were not directly opposed in the presidential preference voting.

Eisenhower, with 3,193 of Indiana's 4,359 precincts reporting, had 250,389 votes, or 60 per cent compared to 9,759 for Lar (America First) Daly, who opposed him on foreign policy.

Kefauver, with 3,223 of the state's precincts counted, had 156,428 votes, or 38 per cent.

He had no opposition on the Democratic side. He had hoped to pull down at least 41 per cent of the total vote—the percentage Adlai E. Stevenson got in losing to Eisenhower in 1952.

The Indiana vote was unusually light, even though real contests were lacking. Democrats had hoped for an indication of farm resentment of administration policies, but no such signals appeared.

Gov. George Craig, a Republican, saw it this way:

"It was not only a defeat for Kefauver but for the entire Democratic party. It is no secret that the Democrats were attempting to pull a big vote . . . as a rebuke to the President and to provide propaganda that Eisenhower is weak in the farm areas."

"They failed miserably because the voters knew the charges were false. The farmers did not storm to the polls in response to the urging of Kefauver and Democratic State Chairman Charles E. Skillen."

Skillen took this view:

"The vote for Kefauver is no indication whatever of the November vote." He said Democrats didn't try to turn out a big vote, and that many farmers chose to work instead of vote because of warm, sunny weather.

STOLEN CARRIAGE
NEW YORK (UP) — Domenico Caristo, two-week-old son of Mr. and Mrs. Santo Caristo, had plenty to howl about today. His mother reported to police that someone stole Domenico's new \$50 baby carriage while she and the baby visited the doctor for a checkup.

Payment to Thomas Okayed by Court

LITTLE ROCK (AP) — Pulaski Chancellor Sam Rorex yesterday refused to interfere with payment of a \$200 fee from University of Arkansas funds for lecture by Socialist Norman Thomas at the University last night.

The American Legion, through a suit filed by state adjutant John L. Vance of Little Rock, sought to bar the payment to the American Friends Service Committee, which sponsors Thomas' lectures. The AFSC was criticized by a House committee during an investigation of tax-exempt foundations last year.

Simultaneously with the senator's announcement at the Capitol, Eisenhower told a news conference he had offered George a foreign affairs post and was sure George would accept.

George, in making his announcement that he would not run, read a letter addressed to him today by the President.

The Eisenhower letter said the President hopes George will be willing to serve as his personal representative and special ambassador to NATO as long as Eisenhower is in the White House.

George is chairman of the Foreign Relations Committee and has served as Democratic spokesman on foreign policy matters.

George stressed that he plans to serve out his present term, which expires next January.

George also indicated he would accept the ambassadorial appointment.

The assignment presumably would place him as the American representative on a proposed international cabinet which would be active in broadening the political aspects of NATO.

"I would not shrink my duty or any duty or responsibility demanded or requested of me," George told a news conference. "Whatever I may do in the future may begin in January."

As to reasons for his action in leaving the Senate, George only said he was not going to run again "for good and sufficient reasons." He would not elaborate.

Says Airforce to Get Plenty of Bombers

By JOHN W. FINNEY

WASHINGTON (UP) — Defense Secretary Charles E. Wilson said today the Air Force will get more B-52 intercontinental jet bombers than it asked for under the administration's defense budget. And it will get them faster, he said.

Wilson told a Senate Military Appropriations subcommittee that the administration's budget for the coming fiscal year will provide enough money for 202 of the giant bombers.

The Air Force he said will get more of the bombers than it asked for and the production schedule will move forward faster by four to five months than originally scheduled.

Wilson said the Air Force originally asked for 190 more B-52s in next year's budget. This original request, he said, was cut by the Defense Department to 173, with the provision that the 17 eliminated could be provided, if needed, in the fiscal 1958 budget.

Cities Service May Have to Make Refund

WASHINGTON (AP) — Gas consumers in four states served by Cities Service Gas Co. whose wholesale customers are principally in Kansas and Missouri will share in a \$6,300,000 rebate if a compromise rate settlement receives Federal Power Commission approval.

Cities Service has over a two year period had in effect a 10 1/2 million dollar rate increase, contingent on FPC approval. The compromise settlement filed yesterday with the commission provides for an annual rate hike of about \$10,200,000 a year.

The difference between the amount collected and the amount agreed to by Cities Service will be refunded to wholesalers who in turn will return it to consumers. The refunds will carry six per cent interest.

The \$10,200,000 annual rate hike would be effective as of April 23, 1956.

The settlement also stipulates Cities Service will file no further requests for rate increase for at least one year unless its costs exceed revenues by one million dollars. It would also close several "rate increase cases" including one by Cities Service Gas Producing Co., a Cities Service Subsidiary.

Fifty wholesale customers furnishing gas to about 300 communities in Missouri, Kansas, Oklahoma and Nebraska are affected by the proposed rates.

In Kansas, the refunds to wholesalers will total an estimated \$2,926.16. The Kansas Corporation Commission estimated Gas Service Co., the largest distributor in the state, would refund an estimated \$2,449,777 to customers.

The residential rate will be 5.43 cents for every 1,000 cubic feet above the rates prior to the time the first application was made in March 1954. At that time Cities Service filed proposed rate increases amounting to \$12,598,072 a year.

U. S. Savings Bonds sales in Hempstead during March totaled \$38,343 bringing the year's total to \$114,727 or 32.2 per cent of the \$356,000 quota . . . Howard sales were \$750 making the 3-month total \$28,947 or 18.6 per cent of the \$161,000 quota . . . Lafayette sales were \$16,456 for a 1956 total of \$48,461 or 28.5 per cent of the \$170,000 quota . . . Nevada county has sales of \$45,192 for the year, \$5,732 for March and is 28 per cent on the \$181,000 quota . . . Miller leads the district with 39 per cent of its quota, followed by Little River, with 38 per cent . . . Howard County trails the district with 18.6 per cent.

Sen. George to Take NATO Post, Won't Run Again

WASHINGTON (AP) — Sen. George (D-Ga.) announced today he will not run for re-election. He said President Eisenhower offered him an appointment as personal representative to the North Atlantic Treaty Organization.

Simultaneously with the senator's announcement at the Capitol, Eisenhower told a news conference he had offered George a foreign affairs post and was sure George would accept.

George, in making his announcement that he would not run, read a letter addressed to him today by the President.

The Eisenhower letter said the President hopes George will be willing to serve as his personal representative and special ambassador to NATO as long as Eisenhower is in the White House.

We flare Dept. Asks Suit Be Dismissed

P I LEAD STAFF MRRIT

LITTLE ROCK (AP) — The state Welfare Department unexpectedly asked the Arkansas Merit System Council today to dismiss Dr. Frances Brennecke's appeal of her removal.

Contending that the council is without jurisdiction in the case, attorneys for the Welfare Department opened a hearing on Dr. Brennecke's dismissal with the surprise move.

Edwin Dunaway, attorney for Dr. Brennecke, protested the motion. He said he had not been given time to prepare testimony against a dismissal motion.

Dr. Brennecke was discharged March 8 effective April 5, as director of the state Welfare Department's Crippled Children's Division.

Snoddy Resigns From College Board

LITTLE ROCK (AP) — Jim Snoddy of Alma, an opponent of Gov. Orval Faubus for a second term Democratic nomination, resigned as a member of the Board of Trustees of Arkansas Tech, Russellville, in a letter received by Faubus yesterday.

ARKANSANS SENTENCED
MEMPHIS, Tenn., (UP) — Two Little Rock men were given five-year sentences here yesterday after pleading guilty to a hold-up at a grocery last month. They are Jerry Lee Carpenter and Thomas V. Ayres. Carpenter was charged with robbery, and Ayres with larceny. They had been apprehended in their automobile as they fled from the grocery which they robbed of \$57 in cash.

The French struck in the Ain-emouchent area with infantry supported by fighter plane and mortar units.

"At the end of this month there should be in this country 330,000 men," Lacoste said in a radio broadcast last night.

"I will ask tomorrow of the French Cabinet that another 30,000 to 40,000 be sent to add to those men here."

Lacoste struck back in the broadcast at critics who say he has not acted forcefully enough against the Arab nationalists. He said France "is making a colossal effort to preserve French Algeria."

The resident minister and other top French officials were stoned and bombarded with tomatoes yesterday during a V-E Day military parade and ceremony.

Searchers Seeking Armed Teenagers

MORRILTON (AP) — Police aided by bloodhounds combed the wooded area north of here today seeking two armed teenagers.

State Trooper Jack Stone said the two boys, armed with a rifle, are believed to have broken into two houses in this north central Arkansas town yesterday.

A stolen car found in the area yesterday was believed to have been abandoned by the boys, the trooper said.

Roadblocks were put up in the area last night.

Violence Clouds Middle East, Cypriot Rioting Spreads Into Greece

U. S. Office Is Attacked, Tourists Guarded

ATHENS, Greece (AP) — Greeks inflamed by British plans to hang two Greek Cypriots attacked the U. S. Information Service office, and battled police here today.

They had burned a British flag in Athens' main square in protest against the execution of the two, convicted of political gunplay.

Windows of the information center were smashed, but police stood off attempts of the rioters to break into the building. Stoned by the rioters, the police fired into the air to break up the raid.

A first aid station reported 20 policemen and 10 civilians had already been treated, with more pouring in. One unconfirmed report said two suffered bullet wounds.

A solid line of police guarded big downtown hotels crammed with American and British tourists.

A noisy crowd of about 4,000 had gathered in the square to hear a speech on Cyprus by Archbishop Dorotheus, Greek Orthodox primate.

Excited demonstrators brandished signs, many in English, calling Sir John Harding, British governor of the Mediterranean island colony, the "Gaullester of Cyprus." Others said: "Gangster Harding, you will die" and "Let us quit NATO."

Thousands of students were reported demonstrating against Britain in the northern city of Salonika.

Foreign Minister, Spyros Kostas, protested to British Ambassador Sir Charles Peake last night the rejection of appeals against the death sentences imposed by British courts on Cyprus against Michael Karaolis and Andrew Dimetriou for political shootings. Both were active in the union with Greece movement on Cyprus.

Lacoste Wants Men to Smear Rebellion

BY HARVEY HUDSON

ALGIER (AP) — Resident Minister Robert Lacoste asked France today for thousands of fresh troops to help smother the 18-month-old nationalist rebellion. He predicted a force of 370,000 men soon would be fighting the rebels.

Already bolstered by heavy reinforcements from France's NATO divisions and draft levies, Lacoste's forces streamed over the countryside to combat the stepped-up new rebel offensive.

Authorities said French troops had killed more than 150 rebels in western Algeria since raiders three days ago set fire to some 50 farms and killed a score of French farmers.

The French struck in the Ain-emouchent area with infantry supported by fighter plane and mortar units.

"At the end of this month there should be in this country 330,000 men," Lacoste said in a radio broadcast last night.

"I will ask tomorrow of the French Cabinet that another 30,000 to 40,000 be sent to add to those men here."

GRAIN AND PROVISIONS

CHICAGO (AP) — Old crop soybeans were knocked down as much as 10 cents early on the Board of Trade today and never recovered more than a few cents from that debacle.

Selling in old crop soybeans reflected a break in the cash soybean oil price, which was off 1/2 cent at 15 cents a pound.

Truman Observes 72nd Birthday

INDIANAPOLIS (AP) — Harry S. Truman, in fine fettle on his 72nd birthday, had this word of advice: "Have so much work to do you don't have any chance for devilment and then you will be all right."

The former President, en route by train to New York and a forthcoming European tour, side-stepped newsmen's questions yesterday on his advice for a long life by remarking he was only 72.

Asked how he felt on his anniversary, Truman posed his own question: "Well, how do I look?" He looked fine.

Truman limited his answers on political questions to the prediction that the Democrats will win the 1956 elections. He said he would announce at the Democratic National Convention, and not before, his candidate for the nomination for president.

and are considered heroes by Greeks who demand the British surrender the colony.

NICOSIA, Cyprus (AP) — The British mounted a special guard over this tense colonial island capital today as they prepared to execute two Greek Cypriots convicted of political killings. The hour for the hangings had not been announced but it was believed they might be carried out today.

Greek police also were put on an all-out alert in Athens to check any anti-British demonstrations in Athens. Feeling soared there for the two men the Greeks and Greek Cypriots regarded as independence heroes.

Field Marshal Sir John Harding, governor of this Mediterranean island colony, ruled yesterday that the two men must die. His decision brought renewed appeals for reprieve, not only from Cyprus and Greece but also from 30 Laborite members of the British Parliament.

The condemned Cypriots are Michael Karalis and Andreas Dimitriou, both 23.

Two Mothers, 8 Children Die in Fire

By United Press

Eight children and two mothers died in fires last night and today. At Hopkins, Minn., Mrs. Lucille Cottrill, 40, and her daughters, Susan 8, and Linda, 6, suffocated in a fire which poured smoke through their one-story home for two hours before it was discovered.

Two other children, Sandra, 16, and Dennis, 12, were asleep in the basement and escaped through basement windows.

At Southampton, N. Y., three Negro children burned to death in their two-story frame home early today. The parents survived, but the father was injured in a futile effort to save his children.

The youngsters died before firemen could reach them. At Waterloo, Ont., last night, Allen Rumig returned to his farm home and became the helpless witness of the death of his 23-year-

consult regularly on problems of common interest. Such a step, he said, "would greatly alter the entire character of the community relationship."

As for the Middle East, Dulles reaffirmed U. S. policy of maintaining Israel's independence against Arab pressures and also of seeking friendly relations with both sides.

He said those points are commonly held by the NATO powers. These powers further believe, he declared, "that solid reliance can be placed upon the principles of the United Nations Charter and that no nation of the area which conforms internationally with those principles will stand alone."

old wife and three children. Rumig spotted his plain two-story home from a nearby farm. He drove toward the scene, but his car ran out of gasoline on the way.

He finally got a lift to his home, but it was already engulfed in searing flames. He could hear his family screaming, but his repeated efforts to rescue them were futile.

Jonesboro Hires Former OU Player

JONESBORO (AP) — Jerry Davis, former end on the University of Oklahoma football team, has been hired as Jonesboro High School's head football coach. Supt. Lloyd Goff announced today.

Davis, a 23-year-old native of Miami, Okla., has been a graduate assistant coach at the University of Arkansas the past year.

He is scheduled to receive a master's degree in social sciences from the university June 2.

The new coach will assume his duties here in August, succeeding Charles (Chili) Davis who resigned to enter private business.

Davis played on the Oklahoma varsity in 1949 and 1950. He missed the 1951 season because of an injury.

Body of Ouachita Coed Is Found

ARKADELPHIA (UP) — Two brothers fishing on the Ouachita river near here yesterday afternoon found the body of the Jacksonville co-ed who drowned in a boating accident Sunday.

The victim, Mary Ruth Lamb of Ouachita Baptist college, was drowned when a boat carrying five students capsized.

Searching parties had been working for more than 30 hours when the brothers, identified as O. G. Golden of Okolona and C. G. Golden of Arkadelphia, saw the body rise to the surface shortly before 1 p.m. They were about a mile from the working parties and three-fourths of a mile from the scene of the accident when they spotted the body and notified officials. The victim was the daughter of Mrs. Harvey Lamb of Jacksonville.

Mincey-Edmiston

Have Church Wedding

In a simple but impressive double ring ceremony performed at 5 o'clock in the afternoon on Satur-

day May 6 by Rev. Virgil D. Keeley, pastor of the First Methodist Church Miss Mary Esther Edmiston became the bride of William Lynn Mincey of McKinney, Texas. Nuptial music was played by Mrs. B. C. Hyatt, organist.

Vows were pledged at the altar marked with tall baskets of white gladiolus and palm leaves.

The bride was attired in a white silk street length dress and she carried a white Bible topped with a white orchid and lily of the valley in a shower effect.

Mrs. Howard Phillippi of Dallas attended her sister as matron of honor, wore a navy silk street length dress and carried a nosegay of shasta daisies.

Jack M. Campbell of Sherman, Texas served his brother-in-law as best man.

Mrs. Edmiston, the brides mother chose a dress of printed silk, and her accessories were black. She pinned a pink sweetheart rosebud corsage at her

shoulder.

The grooms sister, Mrs. Jack M. Campbell wore a beige silk dress with white accessories and a corsage of pink roses.

A reception at the home of Mrs. Hollis Luck followed the ceremony. A pink damask cloth covered the brides table which held the tiered cake encircled on either side by greenery. In the center of the table was an epergne filled with pink sweetheart roses and candelabra holding pink tapers.

The guests were greeted at the door by Mrs. Luck and presented to the receiving line. Mrs. L. D. Springer, Mrs. Med Rutherford and Mrs. Owen Nix alternated in

serving the guests immediately following the reception the couple left for a brief wedding trip, after which they will be

at home in McKinney, Texas. Out of town guests for the wedding were: Mr. and Mrs. Med Rutherford. Continued on Page Five

Spahn Wins for Braves; Cards, Yanks Roll on

By ED WILKS
Of The Associated Press

Some of the boys in the know were hinting last season that Milwaukee's Warren Spahn had lost his speed, was over the hill. Well, the "old man" has news for 'em—he's back in business and his best pitch is the "most consistent fast ball" he's had in years.

The 35-year-old southpaw was 17-14 last season, after winning 20 or more games in six of the previous seven seasons. But the experts jumped to the wrong conclusion. The fire was gone from his fast one, but not because of age. "My fast ball," said Spahn, "went along with my knee," which failed to respond after a midwinter operation. "That left me no choice. I couldn't throw hard and I only used my fast ball as a waste pitch. I had to get 'cute,' pitching to spots."

Last night Spahn burned a three-hitter past the improved Pittsburgh Pirates, striking out 10 and walking only one for a 5-0 decision, his first of the season. It was his 35th career shutout, tops among active National League hurlers, and retained the Braves' slim (60 percentage points) lead.

The St. Louis Cardinals kept the pressure on, routing Robin Roberts to blast Philadelphia 9-1. Cincinnati relinquished its share of second place in a 5-4 loss to the New York Giants. Brooklyn's champions snapped a three-game slump as Don Newcombe tossed a three-hitter to beat Chicago 6-0.

In the American League, three home runs gave the New York Yankees their fifth straight, a 4-3 verdict over Cleveland. Boston took over second place from the Tribe, beating Chicago's White Sox 4-3 in 13 innings. Baltimore jumped into fourth with a 7-4 job on Kansas City. And Detroit perked up after three straight defeats to whack Washington 14-6.

Jickey Mantle, poking his 10th, Lester Howard and Hank Bauer knocked the homers for the Yankees, shelling Early Wynn to overhaul a 2-1 Tribe lead. Young Johnny Kucks was the winner.

Dick Gernert, who homered for Boston's first run, singled home the winner off reliever Millard Howell for the Red Sox, who got Frank Sullivan in trouble with six errors that meant three unearned runs. Rookie Dave Sisler won his

Big Leaguers Grab Another Close Game

Yesterday at Legion Field, the Big League All-Stars grabbed two runs to give Charlie Rodden another close decision in a tight pitcher's duel, 2 to 0.

Rodden went the route, giving up only two singles, walking three and striking out six. Harrison, Delight pitcher, also yielded only two hits, walked two and struck out five.

Hope's first run came in the fourth inning when Travis Purtle led off with a single to left. Ken Jones was hit by the pitcher forcing Purtle to second. Then on Phil Jones' fake bunt, Delight's third baseman charged in leaving third base uncovered while Purtle and Jones pulled a double steal.

Purtle came home on Johnny Lingo's hard grounder to short. Purtle again scored in the 8th when he led off with a walk, stole second and third and raced home when an attempted pick off got through the third baseman.

Delight threatened in the first and sixth innings, getting men on second and third base, but both times Rodden struck out the batter to end the inning.

Purtle and Phil Jones got the hits for Hope while Hughes and B. Fugitt picked up the Delight hits. The Big League boys will play the Nashville Scrappers at Legion field Thursday at 4 p. m.

Little League tryouts will be held Thursday and Friday of this week starting at 3 p. m., it was announced by Roy Taylor, president of the organization.

All boys from 9 to 15 years of age are urged to come to "K" park for tryouts. Each prospective player must have his parent's release card with him.

Any boy who will have reached his 13th birthday on or after August 1 will not be eligible to play Little League ball but will be eligible for Pony League play.

Boys already assigned to a team are asked not to report for the tryouts.
